Motion by Sitzmann, seconded by Greene, to approve the Chairman's signing of a letter of commitment to the LBIC approving a \$250,000 contribution and consideration of the issuance of General Obligation bonds for construction of Wells Dairy Inc. Corporate Campus project, should that become the preferred method rather than conventional financing. Motion by Philips to amend as follows: The \$250,000 will be repaid from the General Obligation bond sales. Amendment died for lack of a second.

Greene-aye; Sitzmann-aye; Philips-nay; Vander Hamm-nay; Spies-aye

Motion Carried.

Motion by Greene, seconded by Sitzmann, to adopt Resolution # 051804 authorizing and approving the applications of Wells Dairy, Inc. for the purpose of receiving benefits under 2003 Code of Iowa Sections 15.326 through 15.337 for improvements in Plymouth County. Greene-aye; Sitzmann-aye; Philips-aye: Vander Hamm-aye; Spies-aye

Motion Carried.

Mark Bohner presented the comments of a group of concerned taxpayers who will support the project of Wells Blue Bunny with the following safeguards: 1) In the event of a default of the lease, the county becomes a priority creditor in any sale or liquidation proceeding. 2) The lease will obligate future owners to continue with the lease until it is satisfied. 3) At the end of the building lease, proceeds from the sale or continued lease are put into a fund for county economic development.

Motion by Philips, seconded by Vander Hamm, to approve an application for construction on county road ROW for Iowa Mutual Telephone in Preston Township and Portland Township Motion Carried.

Motion by Vander Hamm, seconded by Sitzmann, to approve an application for construction on county road ROW for Mid American Energy in Sec.34 Perry Township.

Motion Carried.

Motion by Sitzmann, seconded by Philips, to purchase five 15' dump bodies, hoists and hydraulic systems from Steffen, Inc. for \$84,670.00.

Motion Carried.

A scoring system was presented by Greene to evaluate the L.O.S.T. applications.

The grant scoring program would start with each supervisor rating each application. Then the application with the highest score would get top priority. A discussion would then follow as to amount of funding for each application.

Motion by Greene, seconded by Sitzmann, to put the grant scoring program on the agenda as an action item for May 25^{th} at 10:45 a.m.
